**CORAM : S.A.BOBDE, J.**

**DATE : AUGUST 30, 2007.**

**P.C.**

Heard.

2. From the application for condonation of delay, it appears that the delay was mainly caused due to the fact that the Writ Petition filed by the applicant was found not to be maintainable and that the Writ Petition was withdrawn with liberty to file a Civil Revision Application. In the meanwhile, the Advocate for the applicant had gone to his native place.

3. In the circumstances of the case, this Civil Application for condonation of delay is hereby allowed without any order as to costs.

4. Put up the Civil Revision Application for admission after two weeks.
